CLOCKWORK & CHIVALRY: THOU SHALT NOT SUFFER

There are those who claim that witches don't exist! They also claim that tales of curses and crop blights, of midnight sabbats and dark conspiracies, are the fevered imaginings of fanatical Witch Finders. Those people have never been to Cornwall. In that wild and sea-girt land, the Witch Queen rules through sorcery and fear, and the Royalist majority seem to be in thrall to her evil will. The Adventurers are sent on a mission to this bleak, remote, and sinister place to find the truth behind a growing evil which could swallow up the whole of England. Scheduled to ship in October 2010.

SORCERY & SUPER SCIENCE!

After the cracking of the moon and before the rise of Atlantis, the world was a place strange to the thoughts of honest men. The death throes of science amid the birth of magic sculpted new generations of conquerors who strode the lands forging civilizations of steel, sinew, and sorcery from the decrepit hulks of the ones that fell before. Tyrannical wizards, amoral super-scientists, charismatic catalysts, and multifarious mutants battled for wealth, power, and honor. It was ten thousand years of barbarity; ten thousand years spent in the shadowy shells of past glories, hiding from horrible creatures that scratched and skittered for blood; ten thousand years of tyranny and injustice, ten thousand years of Sorcery & Super Science! TRAVELLER RPG: CHTHONIAN STARS
 It is a good time to be alive. We have stretched to the edge of our known world, as colonies of mutual cooperation exist throughout the solar system. But, alas, it is not to be our time. Something approaches, a thing on an orbit from far away. Seemingly a large shard of dark matter, this object is known in obscure prophecy as the Chthonian Star. It is a thing that has been travelling through the universe on its oblique trajectory for millions, if not billions, of years. Now, it is awakening things long thought lost or dead, things that have slumbered awaiting its return. VAMPIRE THE REQUIEM: NEW WAVE REQUIEM
Do you remember the 80s? Not that bubble-gum garbage you see on those so-called "music networks", but the real 80s? World War III was always on the horizon while sex, drugs, and money flowed like a river of blood right to us. Vampires were everywhere. The Masquerade was at its thinnest point, but we didn't care because the world was ours. Those were good times. This *Vampire: The Requiem* sourcebook offers a brief historical look at America in the 1980s - from a Kindred perspective - with a story set in 1983 Chicago, complete with a pre-generated coterie.
