## FORCES OF HORDES: MINIONS

Adapt and Survive! Whether fighting for their own agenda or offering assistance to others, minions possess unique skills that can be used to turn the tide of battle. From bloodthirsty gatormen and savage and unruly farrow to the few brave adventurers who blur the lines between the civilized and wild worlds, generals can find minions to suit any battlefield role. Whether you field minions as faction reinforcements or as their own army, *Forces of Hordes: Minions* contains everything you need to deploy these savage

tribes in battle, including complete faction rules and profiles for using all current Minion models in *Hordes Mk II*, new troops to bring to the fight, an in-depth look at the history and structure of the various minion cultures, and Minion Theme Force lists and rules. Scheduled to ship in December 2010.
