ALEXANDER THE GREAT AT WAR - HIS ARMY, HIS BATTLES, HIS ENEMIES

Possibly the most famous commander in history, Alexander the Great never ceases to fascinate. When he led his combined Macedonian and Greek army into Asia he began the greatest military conquest in world history. In 11 years he overcame the Persian Empire, and campaigned across deserts, plains, and forests to become the master of most of the known world. Fully illustrated, this book covers his campaigns, the development of his army, and the forces he defeated. Scheduled to ship in March 2011.

THE BISMARCK 1941

The breakout of the German battleship *Bismarck* into the North Atlantic in May 1941 was one of the most dramatic naval episodes of World War II. It took place at a time when the resources of the Royal Navy were stretched thinly, and the British Home Fleet were hard pressed to counter this powerful German warship, which was vaunted as the most powerful battleship in the world. This book details the British efforts to locate and damage the *Bismarck*, the *Bismarck's* extensive armor systems, and her ultimate defeat. Scheduled to ship in March 2011.

NILE 1798 - NELSON'S FIRST GREAT VICTORY
On the night of August 1, 1798, a British fleet under the command of Rear-Admiral Horatio Nelson met the French fleet of Admiral Francois-Paul Brueys D'Aigalliers. By morning the British had won a near-complete victory: only two of the 13 French ships-of-the-line escaped and the rest were either captured or destroyed. It was the first major independent victory of Nelson's career, but more importantly it crippled the French effort in Africa by denying them access to the supplies and support from the sea. DUNGEONS & DRAGONS: PLAYER'S OPTIONS - HEROES OF SHADOW

For heroes who bask in darkness! The Shadowfell is a cold, grim place through which the spirits of the dead must pass on their way to... wherever. Dark, evil things live there, suffused with the power of shadow. Some mortals in the natural world learn how to tap into this source. Assassins. Necromancers. Hexblades. By all accounts, a ruthless lot. However, a few dare to call themselves heroes, using the power of darkness to fight darkness. In addition to exploring the nature of the shadow power source, *Player's Options Heroes of Shadow*

presents races, classes, feats, powers, and other options aimed at players hungry to play the archetypal antihero with a dark edge. Scheduled to ship in March 2010.
