

PATHFINDER INNER SEA POSTER MAP FOLIO

One World, Countless Adventures! See the Inner Sea as you never have before! Discover adventures you never knew existed and make your mark on the *Pathfinder Campaign Setting* with the *Inner Sea Poster Map Folio*! Featuring cartography by Rob Lazzaretti, this enormous mega-map depicts the Inner Sea region of Golarion, the thrilling, pulsating heart of the *Pathfinder Campaign Setting*. Four quadrant posters form a comprehensive view of the Inner Sea region, measuring 3-1/2 feet wide by over 5 feet tall — that's almost 20 square feet of adventure! Distinct and easy to read tags mark hundreds of towns, villages, castles, dungeons, and other intriguing locations drawn from the complete catalogue of *Pathfinder* offerings to date. Check out every locale in the encyclopedic *Inner Sea World Guide*, as well as key sites from *Pathfinder Adventure Paths*, *Pathfinder Modules*, and Golarion's history and current events, all revealed as never before. Printed on durable, high-quality paper, this invaluable world reference will endure campaign after campaign.

Now, a world of countless adventures, innumerable dangers, and endless possibilities is yours to explore as the motley assembly of adventurers, archaeologists, and mystics of the highly-venerated *Pathfinder* Society have opened up their archives to reveal a rare and exclusive version of the *Inner Sea Poster Map Folio* — printed on a single sheet of sturdy parchment and personally autographed by Paizo's entire *Pathfinder* crew! Plus, three *GTM* readers will be the recipient of the standard, four-panel, folded version of this geographic game supplement!
