**THE MYSTERY OF THE TEMPLARS**

For 200 years, the Knights Templar were a powerful political and economic force, helping to shape Europe during the Middle Ages. Founded to protect pilgrims on their journeys to the Holy Land, the "poor comrades-in-arms of Christ and the Temple of Solomon" would eventually grow a network of strongholds throughout the Christian world and become one of the richest organizations in Europe: one that would attract the covetous eyes of the French king. Escort pilgrims, seek out and discover long-lost artifacts of Christian lore, procure valuable trade goods, safeguard precious caravans and trade ships, garner favor in the Holy Lands, and avoid the Persecution in this game of trade, development, and battle. In this game of Angels and Demons, each player portrays a Guardian Angel that moves around a city trying to help people solve their problems. People's inner conflicts can vary in intensity - the higher the degree, the harder it is to solve them. To assist them, Angels can use the help of Saints, but they will also have to face the opposition of Demons, which makes their task even harder. Scheduled to ship in March 2012.

#### THE AUSTRALIAN ARMY IN WORLD WAR I

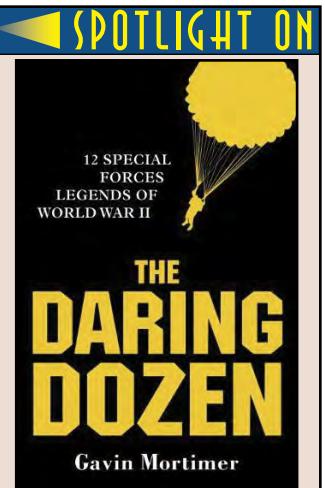

The Australian contribution to the Allied war effort during World War I is worthy of celebration. #### BONHOMME RICHARD VS SERAPIS: FLAMBOROUGH HEAD 1779

The clash between the American Bonhomme Richard and the British HMS Serapis during the American Revolutionary War is perhaps the most famous single-ship duel in history. This epic battle between two very similar ships - and crews - off the coast of Britain in September 1779 created two naval heroes: in victory John Paul Jones, while Richard Pearson, in defeat, became a hero to the British. ### TOURNAJ

Built by the Romans during the first century in Belgian Gaul, Tournaj experienced most of its growth along the Scheldt river. Unfortunately, the river also contributed to its troubles, because in 881, the Normans traversed its watery path, easily capturing the city and stunting Tournaj's prosperity. *Tournaj* invites you to participate in the reconstruction of the city and help your district flourish by cleverly coordinating the work of the city's three domains — military, religious, and civil — in order to establish a glorious era that will last for centuries! Scheduled to ship in June 2012.
