DER WELTKRIEG: THE GRAND CAMPAIGN

July 28, 1914: The peace of Europe is shattered. Rapid fire cannons and machine guns usher in a new and deadlier form of warfare. The major powers had prepared for years, building up massive armies and navies. It was supposed to end quickly. War was now too expensive, too deadly. But they would fight on to the death! *The Grand Campaign* combines all of the *Der Weltkrieg* series of World War I titles to simulate the entire war from start to finish. ARCHIBALD WAVELL

Archibald Wavell remains one of the great Allied commanders of the early phases of World War II. In fact, between June 1940 and June 1941, he was the only British theatre commander actively engaging Axis forces. This book tells the complete story of Wavell's wartime exploits and examines his strengths and weaknesses as a commander. Scheduled to ship in July 2012.

OSP CMD028\$19.95

**BOLT ACTION: WORLD WAR II WARGAMES RULES**

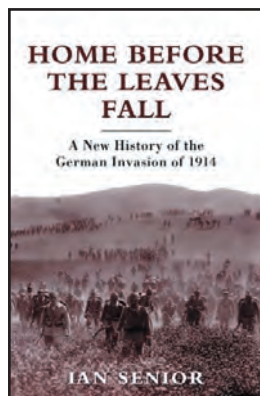

Created as a joint project between Warlord Games and Osprey Publishing, and written by veteran game designers Alessio Cavatore and Rick Priestley, *Bolt Action* provides all the rules needed to bring the great battles of World War II to your tabletop. Using miniature soldiers, tanks, and terrain, *Bolt Action* allows players to fight battles in the shattered towns of occupied France, the barren deserts of North Africa, and even the sweltering jungles of the Pacific. Scheduled to ship in July 2012.

ME 262 BOMBER AND RECONNAISSANCE UNITS OF WORLD WAR II

When the revolutionary Messerschmitt Me 262 jet first appeared as a bomber in the skies over north-west Europe in late 1944, it represented both a new dawn in aeronautical development and a great shock to the Allied air forces and armies. This book covers the complete history of the Me 262 bomber and reconnaissance units during World War II. Scheduled to ship in July 2012.

P-38 LIGHTNING ACES OF THE 82ND FIGHTER GROUP

When the 82nd Fighter Group was organized in March 1942, most of its initial pilot cadre was comprised of newly graduated staff sergeant pilots of Class 42-C - enlisted men! As of VE-Day the 82nd Fighter Group's score of confirmed aerial victories stood at 548 aircraft shot down, plus a huge amount of enemy materiel - including aircraft - destroyed on the ground and the sea. It had been awarded three Distinguished Unit Citations. Scheduled to ship in July 2012.

PANTHER

The German Panther tank was almost certainly the most elegant design of WWII. It embodied a balance of firepower, armor protection, and mobility unmatched by any other tank of the period. Yet, it was not the war-winner it might have been. Author Mike Green examines the disparity between the potential of the Panther design and the actuality of the fielded Panther tank. Scheduled to ship in July 2012.

**PEBBLE ISLAND: THE SAS IN THE FALKLANDS 1982**

As British troop transports headed towards the Falklands in May 1982, an advance reconnaissance team of SBS troopers discovered an Argentine airstrip on Pebble Island. It was a threat too great to ignore. The task of neutralizing the base was given to Mountain Troop, SAS. This book covers all of the details of the battle, from the initial intelligence gathering, through the assault, to an analysis of the raid's impact on the war in general. Scheduled to ship in July 2012.

SPOTLIGHT ON

WORLD WAR II: BARBAROSSA 1941 - BATTLE FOR DANUBE

This first expansion for *Operation Barbarossa 1941* puts you in the middle of the furious confrontations between Soviet border guards and Romanian infantry divisions during the first days of the "Great Patriotic War". This set includes 11 models for new types of units - Romanian infantry, Soviet border guards, armored river boats, and trains - as well as new terrain pieces for lakes, rocks, ravines, railways, and more! Scheduled to ship in April 2012.
