Despite its larger military, Malthune has been unable to make significant headway into the forest, and its edge has served as the border between the two nations for nearly a century. Amid the stalemate, one Malthuni commander led an elite regiment of soldiers over the Nirmathi line - and mysteriously cut off communication with the outside world! Can the heroes infiltrate the secure fortress to defeat the rebel force, or will the rogue commander's sinister motivations go unchecked? *Fangwood Keep* is a *Pathfinder* adventure for 4th-level characters.
