GRAVWELL: ESCAPE FROM THE 9TH DIMENSION

After being pulled through a black hole, four spaceships find themselves in a dimension with physics never before encountered - and without fuel! By mining and collecting basic elements from the space dust and asteroids in the area, you can muster just enough thrust to move your ship. But in this bizarre dimension, gravity is not working like how you've been taught. Your ship will typically travel towards the nearest object - which is usually another ship - and those ships are moving. Sometimes forwards, and sometimes backwards. It's a real mind-bender! Scheduled to ship in August 2013.

MANZIKERT 1071: THE BREAKING OF BYZANTIUM

On August 26, 1071, a large Byzantine army under Emperor Romanus IV met the Seljuq Turk forces of Sultan Alp Arslan near the town of Manzikert to the far east of the Byzantine Empire. This battle is justifiably regarded as a turning point in Middle Eastern, European, and to some extent even world history, as it served as the primary trigger of the Crusades, and the moment when the power of the East Roman (or Byzantine) Empire was irreparably broken. Scheduled to ship in August 2013.

PATHFINDER TALES: KING OF CHAOS

by Dave Gross
After a century of imprisonment, demons have broken free of the wardstones surrounding the Worldwound. Gathering an unlikely group of allies, Count Varian Jeggare and his hellspawn bodyguard, Radovan, desperately search the ruins of a fallen nation for a magical text containing the rituals that first opened the gate to the Abyss, hoping it also contains the secret to closing it. As they fight across a broken land of cultists, fiends, and monsters, Radovan and Varian must make hard choices that could help save the world - or destroy it completely! Scheduled to ship in August 2013. PZO 8516\$9.99

O/A THE GREAT FIRE OF LONDON

Sunday, September 2, 1666, Thomas Farriner, the baker to the King, neglected to put out the hearth fire in his shop. This simple act of negligence created a towering and lethal inferno which would eventually destroy 13,000 houses and leave nearly 90 percent of the cities' population destitute and homeless. The future of London lies in your hands! The Lord Mayor has failed to act and it falls to you, a wealthy landlord, to lead trained bands of militia to fight the fire and save the city and London's most famous landmarks! PAN GF01\$60.00

SAVAGE WORLDS: DEADLANDS NOIR CORE RULES

New Orleans, 1935. Whoever called this "The Big Easy" sure got that one wrong. From shady thugs to crooked cops to Mafia soldiers, there's plenty of characters out there looking to give an honest Joe a hard time. And that's not the worst of it. Still, there are a few heroes left in the concrete jungle. Steely-eyed private dicks, fast-talking grifters, wild-eyed inventors, and shadowy hougans still struggle against the encroaching darkness. Set in the world of the *Deadlands* universe, *Deadlands Noir* includes new Edges, Hindrances, and powers, as well as new rules for handling detective work, the state of the Union and the CSA in the Depression-era, a complete Plot Point campaign, and, of course, more monsters and ghouls than you can shake a smoking .45 automatic at.
