War Plan Red, and its attached *War Plan Crimson*, gave the U.S. Navy the task of invading Nova Scotia and disrupting communications between Britain and Canada. This *Great War at Sea* campaign features an operational map, 210 playing pieces, and 32 scenarios.

APL 0022\$59.99

O/A GREAT WAR AT SEA: RUSSO-JAPANESE WAR

Featuring 20 scenarios, including the climactic Battle of Tsushima, this *Great War at Sea* campaign covers the naval side of the Russo-Japanese War, which opened with a Japanese surprise attack on the Russian Pacific Fleet's base at Port Arthur in northern China.

APL 0046\$59.99

O/A GREAT WAR AT SEA: SOUTH CHINA SEA

South China Sea features 10 scenarios for *Great War at Sea* based on battles that could have taken place between American and British forces in the Far East during a potential naval war in the early 1920s.

APL 1806\$19.99

O/A PANZER GRENADIER: ALASKA'S WAR

Featuring 10 scenarios based on battles that took place in the Aleutian Islands, this module is not playable by itself, but requires ownership of the *Battle of the Bulge*, *Guadalcanal*, *Afrika Korps*, and *Desert Rats* games.

APL 1802\$10.99

O/A PANZER GRENADIER: BLUE DIVISION

When Nazi armies launched their sneak attack on the Soviet Union in June 1941, Spanish fascists exulted. Spanish dictator Francisco Franco organized them into a "Blue Division" to carry the fight to the Russians. *Blue Division* is a supplement to the *Panzer Grenadier* series, focusing on the actions of this unit between 1941 and 1943. This module is not playable by itself, but requires ownership of *Eastern Front* and *Road to Berlin* to utilize all of the scenarios.

APL 0813\$19.99

O/A PANZER GRENADIER: JUNGLE FIGHTING

Featuring 42 scenarios from the Guadalcanal campaign, this supplement for the *Panzer Grenadier* system introduces the U.S. Army's role in fighting the Japanese.

APL 1801\$10.99

O/A PANZER GRENADIER: PANZER LION

In a series of actions along the frontier between Romania and Ukraine, Lt. Gen. Hasso von Manteuffel's Panzer Division *Grossdeutschland* and supporting units effectively destroyed four Soviet tank corps and their supporting infantry. Five years after the war Manteuffel, known as the "Panzer Lion," would help the Allies analyze these battles. *Panzer Lion* is a supplement for the *Panzer Grenadier* series of games, with 10 scenarios based on these battles.

APL 1812\$10.99

O/A PANZER GRENADIER: RED WARRIORS

Crushed by the initial Nazi onslaught, the Red Army reeled back across hundreds of miles. But as resistance stiffened, it became clear that some highly motivated units fought better than others. These became the Guards, the Red Army's best troops. *Red Warriors* is a supplement to the *Panzer Grenadier* series, focusing on these elite fighters and their exploits. It is not playable by itself, but requires ownership of *Eastern Front*, *Road to Berlin*, and *Battle of the Bulge* to utilize all of the scenarios.

APL 0812\$10.99

O/A PANZER GRENADIER: SIEGE OF LENINGRAD

For 900 days, German troops ringed the city of Leningrad, trying to capture the Cradle of the Revolution while Soviet soldiers and militiamen fought just as desperately to keep them out. Nazi savagery caused the deaths of well over a million civilians. *Siege on Leningrad* features 10 scenarios based on battles that took place along Leningrad's defensive perimeter.

**O/A ROME AT WAR:
FADING LEGIONS**

At the close of the fourth century AD, Rome faced its greatest danger in over 500 years. To the east, the Sassanid Persian Empire presented a powerful challenge to Roman dominance in the Middle East. To the north, German tribes pressed against the Rhine frontier. To the northeast, Gothic tribes also stirred. And rival Roman would-be emperors faced off against one another. *Fading Legions* covers these battles, when the last of Rome's legions faced hordes of enemy horsemen.

**O/A SECOND WORLD
WAR AT SEA: BISMARCK**

If there's one ship every naval wargamer knows, it's the German battleship *Bismarck* - forty-thousand tons of menace, unleashed into the North Atlantic in the spring of 1941 to wreak havoc on Allied shipping. *Bismarck: Commerce Raiding in the North Atlantic* is an installment in the *Second World War at Sea* series.

APL 0033 \$64.99

**O/A ROME AT WAR:
HANNIBAL AT BAY**

Few personalities of the ancient world seize the imagination like Hannibal Barca, Carthage's military genius. Invading Roman Italy in 218 B.C., he won repeated victories over the legions, but could not force the Romans to make peace. Meanwhile, Rome's great general Scipio Africanus overran Carthage's colonies in Spain and in 204 B.C. invaded the Carthaginian homeland in modern-day Tunisia. Hannibal swiftly returned home, setting up a clash between the two great leaders. *Hannibal at Bay* is a game based on Carthage's final days, the campaign that made Rome into the world's greatest power.

APL 0111 \$34.99

**O/A ROME AT WAR:
QUEEN OF THE CELTS**

In the year 43 AD, Roman legions splashed ashore in Kent, unopposed by the Britons led by Caractus, who had sworn to repel them. The Emperor Claudius had dispatched Aulus Plautius and 45,000 men to conquer the mist-covered island where Julius Caesar had failed almost a century earlier. The island would pass under Roman rule for the next several centuries, implanting a Latin-oriented culture and shoving Celtic ways to the very fringes of Europe. All that would remain were their legends; not least among them the fiery leadership of Boudicca, warrior-queen of the Iceni and resolute enemy of Rome.

O/A WAR OF THE STATES: CHICKAMAUGA & CHATTANOOGA
In the fall of 1863, the Union Armies of the Tennessee and Cumberland moved south against Atlanta, only to be met by the Confederate Army of Tennessee and reinforcements sent from Virginia. The Rebels stopped the Northern advance, then laid siege to the Union supply center of Chattanooga. But in the "Battle Above the Clouds," the Yankees broke the siege. *Chickamauga & Chattanooga* is a game based on these two hard-fought battles, and includes a combined campaign game.
APL 0108 \$59.99

O/A WESTERN DESERT FORCE
In September 1940, Italian divisions rolled over the border between their colony of Libya and British-dominated Egypt. After advancing several dozen miles, they stopped to secure their supply lines, only to meet a devastating British counter-attack that soon had them reeling back halfway across Libya. *Western Desert Force* is a quick-playing game from the designer of *Defiant Russia*.

WORLD WAR II RIVER ASSAULT TACTICS
 On the major European and Russian fronts throughout World War II, the challenge of crossing rivers and other water obstacles under fire was absolutely central to any advance. But World War II armies depended on heavy mechanized equipment, and even if a bridgehead was seized, it then had to be held for long enough for engineers to bring up and erect prefabricated bridges. This book explains the methods and the means, and analyzes specific successes and failures. Scheduled to ship in September 2013.

ZOMBIES: A HUNTER'S GUIDE DELUXE EDITION
 The dead have always walked among us, from the shambling corpses of Eastern European folklore to the drug-created zombie of Haitian voodoo. Now, in the post atomic-age, advanced science and globalization have increased the threat a thousand-fold. *Zombies: A Hunter's Guide* contains all of the information necessary to recognize and combat this growing threat. Beginning with an explanation of the historical origins of zombies, it follows their history straight through to the threat they pose to the world today. All varieties of zombie are cataloged and examined, giving their strengths and weakness, with a special emphasis on recognition and elimination. Scheduled to ship in September 2013.

PATHFINDER ADVENTURE PATH: WRATH OF THE RIGHTEOUS PART 2 - SWORD OF VALOR
 The citadel and city of Drezen was once the pride and joy of the crusaders, a symbol of their triumph in the First Crusade against the Worldwound. Yet this triumph was short-lived, for when a larger horde of demons attacked, they shattered Drezen's defenses and captured the citadel and the Crusaders' symbol of power - the Sword of Valor. Can the adventurers and an allied team of specialists lead an army north to reclaim Drezen and recover the Sword of Valor? Continuing the *Wrath of the Righteous Adventure Path*, *Sword of Valor* is a *Pathfinder Roleplaying Game* adventure for 6th-level characters who have gained one mythic tier. FIRENZE

In the Florence of the 12th-14th centuries, the city's powerful and influential families don't just compete with each other in trade and politics - they seek to outdo one another by building tall tower homes as status symbols. In this game, you are master builders working on the families' construction commissions for such towers. But, be careful: once you've started construction on a tower, you must keep erecting it every turn, or it will be torn down as abandoned construction. Pay attention to other players' projects, so that they don't snatch commissions you were counting on right from under your nose! Scheduled to ship in July 2013.

FEATURED ITEM

BRUGES
 Belgium, 15th Century. The first stock market opens its doors, and all of Europe has set its eyes on the wealthy and influential city of Bruges. In *Bruges*, players attempt to garner influence from the local merchants, bureaucrats, and nobles that rule this beautiful city in hopes of gaining prestige, reputation, and power. But, disasters loom over the horizon! Ruse, tactical thinking, and a little luck will allow you to pull ahead of the pack. And, if that isn't enough, the shadier denizens of the city will be more than happy to help. Scheduled to ship in August 2013.
