LEGEND OF THE FIVE RINGS RPG: SECRETS OF THE EMPIRE

Consumed with their own affairs and agendas, the Great Clans of Rokugan rarely pay attention to the goings on of the other groups that share the Empire with them. The Minor Clans, ronin, the Brotherhood of Shinsei, and even the Imperial families themselves are often overlooked in the schemes of the Great Clans, and often to the detriment of those who fail to take them into account. *Secrets of the Empire* presents information concerning the history and culture of these groups, including an exhaustive list of Rokugan's Minor Clans, the political intrigue of the Imperial families, and much more detail on the workings of the Empire's wave men and the ubiquitous Brotherhood of Shinsei.
