O/A BASIC ROLEPLAYING: BLOOD TIDE

The Golden Age of Piracy is a time when men turn their hands against each other, and the seas and coasts are bathed with blood! The wars that ravaged Europe are over, but peace brings new problems. Thousands have been displaced or orphaned, their homes and lands ruined or claimed by others. Many thousands more see their livelihoods as soldiers and sailors disappear as Europe's armies and navies are reduced in size. National resources are free to invest in exploration, colonization, and trade. Mercantilism is on the rise, and the great ports of Europe are flooded with wealth drawn from the Far East and the West Indies. And, the world sees the largest surge in acts of piracy in recorded history! This is the time of Henry Morgan and Blackbeard, Scallywags and Scurvy Dogs, Brutal Buccaneers and Sea Monsters...this is the era of *Blood Tide: Black Sails and Dark Rituals*!

SPACE JUNK

Outplay! Outlive! Outhouse! It's the year 2047, and the world's atmosphere is filled with all manner of junk - and those in charge have decided to do something about it! Their solution: to begin production of "Space Junk", a brand-new reality TV show that follows a group of contestants as they cobble together spaceships out of whatever junk they can find and recycle, cleaning up space in the process. However, altruism is all well and good, but not good TV, which is why the producers encourage contestants (with fat cash prizes!) to engage in space races and gather and use weapons against one another to bash, smash, and crash their way to victory!
