**SAVAGE WORLDS RPG:
DOUBLE SPIRAL WAR**

The *Double Spiral War*, Warren Norwood's chronicle of interstellar combat is a powerful, graphically realistic epic on a vast cosmic scale. When mankind left behind their old home to seek out new lands beyond the dark spaces between galaxies, they hoped to leave behind the conflict and chaos that has been their heritage. They were wrong. Even amongst alien species, mankind still found cause to war amongst itself. Hence, the growing conflict between the humanitarian Sondak Confederacy and the United Central Systems (U.C.S.), a group dominated by genetically modified humans. And in the churning wake of these two giants, all the races of the galaxy and the lives of many individuals shall be turned upside down! This *Savage Worlds* setting book offers you the chance to make a difference in the war. Do you have what it takes to turn the tide, or hold your faith in the midst of the worst conflict of all time. DESIGNERS & DRAGONS
If there's one thing that the "old school" revolution has taught us, it's that history is important to us as gamers. Our roots matter. But how much do we actually know - or remember - of the origins of this hobby of ours? Enter *Designers & Dragons*. In this four-volume, decade-by-decade series, author and game historian Shannon Appelcline digs deep into the lore of our forty-year-old hobby, uncovering the forgotten facts and hidden stories behind the biggest and most influential names in roleplaying games. Whether you're new to RPGs and wonder where they came from, a "grognard" of the most ancient order looking to dust off some treasured nostalgia, or a tried-and-true gamer looking to explore the field of what is and what was, you'll find something in *Designers & Dragons* for you!

LEGEND RPG: DEUS VULT - ROUEN

Rouen is one of the great cities of medieval France. Situated on the banks of the River Seine — a vital trade route for both European and Scandinavian countries — it is the capital of Normandy. But, hidden amongst the swirl of city life, Rouen conceals a number of dark secrets. There are things lurking unseen amongst the innocent citizenry; beings with agendas of their own that seek to control and guide this proud city towards their own, nefarious ends. This *Deus Vult* sourcebook takes you through the streets of 12th century Rouen, to the darkest areas of the city where there are few friends for Guardian Priests and far too many enemies! Scheduled to ship in January 2015.

THE STRANGE RPG: CHARACTER SHEETS

With the game's world-hopping, character-altering setting, *The Strange* players really go through character sheets — and in particular, the "recursion" portion that details changes to their characters in different settings. This product contains a pad of 20 character sheets and 30 recursion sheets (printed double-sided for two uses each). They're full-color, printed on matte paper that's easy to write on and erase, and will cover an entire party for an entire campaign — and then some. The *Strange* character sheet sells itself — and it sells *The Strange!* Gamers who see the character sheet's gorgeous, intriguing design always ask about the game. Ship date: TBD

A-3 SKYWARRIOR VIETNAM

The Douglas A-3 Skywarrior, though something of a cult favorite, remains a largely unremarked classic of Naval Aviation. Built for nuclear weapon delivery, the A-3 made its name in Vietnam as a conventional bomber, tanker, and Electronic Warfare platform. It was the largest aircraft ever regularly operated from the decks of aircraft carriers, earning it the fleet-wide nickname 'Whale'. This title includes details on all of the A-3 Skywarrior's operations as well as more clandestine reconnaissance missions, and provides information about the men that flew them. Scheduled to ship in February 2015.

SEA PEOPLES OF THE BRONZE AGE

Sea Peoples of the Bronze Age and Mediterranean features the latest historical and archaeological research into the mysterious and powerful confederations of raiders who troubled the Eastern Mediterranean in the last half of the Bronze Age. Research into the origins of the so-called Shardana, Shekelesh, Danuna, Lukka, Peleset, and other peoples is a detective 'work in progress'. Drawing on carved inscriptions and papyrus documents - mainly from Egypt - dating from the 15th-11th centuries BC, as well as carved reliefs of Medinet Habu, this title reconstructs the formidable appearance and even the tactics of the famous 'Sea Peoples'. Scheduled to ship in February 2015.
