LEGEND OF THE FIVE RINGS CCG: TWENTY FESTIVALS - THUNDEROUS ACCLAIM BOOSTER DISPLAY (36)

The new Emperor takes the throne, to the acclaim of all. Hopeful eyes look to the future with promises of a new, Golden Dynasty bringing peace and prosperity to the land. But not all is as it seems. Rivalries between the Clans threaten to flare anew. Rumbblings from the Mantis islands imply a looming threat that only they seem to recognize. Only one thing is certain: the future is coming...and all of Rokugan will tremble before it! Show your support for one of the nine Great Clans of Rokugan and help shape the Empire under the rule of the new Emperor with *Thunderous Acclaim*, the latest expansion for the *Legend of the Five Rings Collectible Card Game*. 16-cards per pack / 36 packs per display. Scheduled to ship in July 2015. **NOTE:** This item is sold to retailers in full displays. Please contact your retailer for availability.

LOST LEGACY: THIRD CHRONICLE

Discover the Legacy! In the distant past, a starship from a faraway world appeared in the sky. Damaged in battle, the craft broke apart and traced lines of fire across the horizon. These falling stars crashed to the surface, and in the ages to come, became enshrined in legends as the Lost Legacy. *Lost Legacy: Third Chronicle* contains two sets of game cards (Sacred Grail and Staff of Dragons) that can be played independently or combined with other sets for the ultimate adventure! Scheduled to ship in July 2015.

BARONY

On the outskirts of the Empire, the tension is palpable: in the race for power, your struggles take on more and more challenging proportions. As a baron, you rule one of the four most influential families of the region. With your army of knights, you have to reach the most rich and fertile lands, colonize them, and, above all, defend them against your opponents! You have also to climb the ranks in order to, one day maybe, become the new king! Scheduled to ship in June 2015.

CARDLINE: DINOSAURS

The Diplodocus is clearly heavier than the Tyrannosaurus, but what about the Brachiosaurus? And, certainly, the Stegosaurus is lighter than those three, but does it weigh less than a Woolly Mammoth? In *Cardline Dinosaurs*, these are the kind of questions you'll be faced with each time you want to place one of your cards. There's only one goal here — to be the first one to correctly play all of your cards. Scheduled to ship in June 2015.

ASM CARDO3 \$14.99

METAL ADVENTURES

Space Pirates are battling for Honor, Glory and Wealth! Join them in their exploration of the Universe and their quest for victory! In *Metal Adventures*, players will explore the cosmos, engage in alliances, enhance their ships, and rise up to bold challenges to achieve your ultimate destiny. Scheduled to ship in June 2015.

ASM MET01 \$49.99

MINUSCULE

The peace of the countryside is marred only by the sound of cicadas. Suddenly, a buzzing is heard as the calm of the prairie is disrupted by a line of insects rushing at incredible speed in a madcap race. *Minuscule* is a racing game with funny bugs that is perfect for the whole family! Scheduled to ship in June 2015.

ASM MIN01 \$14.99

NATIONS: THE DICE GAME

How will you lead your nation? Conserve your resources, or spend on military? Send your people to work, or invest in their national heritage? Avoid famine and war, hire workers and architects, and raise wonders that will stand the test of time. In the end, only one nation can rise to the top! *Nations: The Dice Game* is a dice-based variant of the civilization-building game. Scheduled to ship in June 2015.

ULTIMATE WARRIORZ

It's time for the great Tribal Rumble! This ritual battle takes place in the sacred arena and the best Warriorz from all the different tribes, clans, and races are gathered. Victory in this battle will require expert timing! Use your secret technique at the right moment, take advantage of your magical items to do the most damage, and, above all else, avoid your opponents' attack! Become chief of the legendary End of the World Island as the one, and the only, the Ultimate Warrior! Scheduled to ship in June 2015.

ARS MAGICA: THRICE TOLD TALES

Drop a stone into a pool and watch the ripples spread out. The prince saves the princess and they marry. But then they have a daughter, and perhaps the faeries are still interested. A saint raises the dead and stops a war, and years later the wealth of the pilgrimage site nurtures a hive of diabolists. A maga recovers a mighty enchantment, and her apprentice accidentally opens a gate to a regio. Actions have Consequences! This *Ars Magica* scenario book contains five sequences of three stories each. Scheduled to ship in June 2015.

DRINKING DICE

Monopoly, Risk, Backgammon, Settlers of Catan, Yahtzee — all great games, but what do they have in common? They aren't drinking games. That is, until now! Replace one or more six-sided dice in any game you already own with these custom, eight-sided dice, and you can make almost any game a drinking game. The dice can also be used to play one of 15 custom micro games, included. Scheduled to ship in July 2015.

NIGHT WITCHES

There was a night bomber regiment in World War II composed entirely of natural-born Soviet airwomen. These 200 women, flying outdated biplanes near the front lines, attacked German forces every night. When they ran out of bombs they dropped railroad ties. To each other they were sisters. To the Red Army Air Force they were an infuriating sideshow. To the Germans they were *Nachthexen* — Night Witches. Can you do your duty and strike back against the Fascists? Can you overcome discrimination and outright sabotage and rise above your sexist comrades? Are there limits to patriotism — or endurance? Scheduled to ship in April 2015.

WARBAND: AGAINST THE DARKNESS

Since the beginning, the great races of the Five Realms of Kholdrum, Shenaru, Ela'Vethera, and Zhoni have been engaged in complex relations with each other — allying and arguing, merging and dividing, loving and hating — as they each schemed and plotted to gain the upper hand. Then the Darkness came. An army of unspeakable horrors of an ancient and forgotten race of infernal creatures awoke deep within the earth, and marched across the land raining death and destruction upon the Five Realms. Faced with a desperate fight for their very survival, the great races put aside their differences and united into a warband of such magnitude and strength...and the world trembled. PATHFINDER: PURE STEAM CAMPAIGN SETTING

In the Age of Steam, Coal is King! Set in the Age of Steam, the *Pure Steam Campaign Setting* is fully compatible with the *Pathfinder Roleplaying Game*. But, this isn't your grandma's steampunk. Here, Hillbillies and Yankees scatter the landscape, which is more Appalachian than Victorian, and the old, tired mountains rich in coal veins are home to the economic powerhouses of the setting. This setting sourcebook focuses on the Federated States of Ullera, a relatively young nation born out of the Abolition War, founded on freedom from oppression and learning to handle its newfound economic prosperity and political power. Take on the role of the Chaplain, power up as the Gearhead, or try your hand at one of the unique class archetypes such as the Pugilist, Grease Rat, or Ructioneer. Aim true and strike hard with new weapons, accessories, and gadgetry, and experience the horror science can awaken with new monsters such as the Reanimated Corpse and the Wondrous Armature. DUNGEON FIGHTER

In *Dungeon Fighter*, a fully cooperative board game, players take on the roles of heroes venturing deep into a three-tier dungeon. Along the way, they explore the dungeon, search its many rooms, and face endless hordes of vicious monsters. Best of all, your skill determines the ability of your character. Can you kill Medusa without looking into her eyes, defeat the Minotaur in the labyrinth, or resist the breath of the dragon. What's more, randomly drawn dungeon effects may dictate that a player throw his die behind his back, with his eyes closed, under his leg, or under any combination of (often hilarious) restrictions. Keep a steady hand and a clear mind, and your team will emerge victorious! Scheduled to ship in March 2015.

ARMIES OF THE GREEK-TURKISH WAR 1919-22
This is a comprehensive guide to the armies that fought a devastating and decisive conflict in the Eastern Mediterranean between the two World Wars of the 20th century. Augmented with very rare photographs and beautiful illustrations, this ground-breaking title explores the history, organization, and appearance of the armies, both guerilla and conventional, that fought in this bloody war. Scheduled to ship in July 2015.

BOLT ACTION: GERMANY STRIKES!
In 1939, Germany shattered the peace of Europe with a lightning-fast strike against Poland. The next year, it captured Denmark and Norway, before launching its famous Blitzkrieg against France, Belgium, and The Netherlands. In less than two years of fighting, Nazi Germany became the master of mainland Europe. This new Theatre Book for *Bolt Action* allows players to command armies of German tanks driving across the continent or to lead the desperate defense of the outgunned Allied armies. New scenarios, special rules, and units give players everything they need to recreate the devastating battles and campaigns of the early war in Europe, including the fall of Poland, the breaking of the Maginot Line and the dramatic retreat to Dunkirk. Scheduled to ship in July 2015.

GERMAN'S EAST WALL IN WWII
The East Wall was where the final battles for the stricken Third Reich were fought, amid scenes of utter carnage. Neil Short brings his expert knowledge to bear with an analysis of different stages of the wall's construction, the years of neglect and decay, and the hasty, drastic redevelopment in the face of the looming Soviet threat. Scheduled to ship in July 2015.

LEWES AND EVESHAM 1264-65
At the crescendo of the Second Barons' War were the battles of Lewes and Evesham. It was an era of high drama and intrigue, as tensions between crown and aristocracy had boiled over and a civil war erupted that would shape the future of English government. In this detailed study, Richard Brooks unravels the remarkable events of the battles of Lewes and Evesham, revealing the unusually tactical nature of the fighting, in sharp contrast to most medieval conflicts which were habitually settled by burning and ravaging. LEYTE 1944

The loss of the Philippines in 1942 was the worst defeat in American military history. General Douglas MacArthur, the 'Lion of Luzon', was evacuated by order of the President just before the fall, but he vowed to return, and in August 1944 he kept his word when he led what, at the time, was the largest amphibious assault of the Pacific War on the island of Leyte. This is the full story of that fateful battle, one of the most ferocious campaigns of World War II and one of huge strategic and symbolic significance. Scheduled to ship in July 2015.

POLISH SPITFIRE ACES

Of all Allied airmen, Polish pilots had had the most experience of fighting the Luftwaffe by the time the war came to Britain. As the Battle of Britain raged, they quickly proved themselves as highly aggressive and skillful interceptors, especially when flying the famous Spitfire. From an expert on Polish fighter aviation, this is a peerless account of the fiery, talented Polish "Spit" pilots, whose country had been overrun and whose aggression and determination to shoot down Axis aircraft was unmatched. Scheduled to ship in July 2015.

WARS OF ATLANTIS

On the very edge of recorded history, the fabled island of Atlantis formed the center of a vast and powerful empire. From there, the divinely-descended lords of the western ocean made war on the rest of the world, until a brave resistance drove them back, and the gods punished them for their hubris. In that last cataclysmic struggle between gods and mortals, the whole island continent sank beneath the sea. For the first time, Phil Masters reconstructs the fact and fiction of that lost age of gods and heroes, including the political organization of the Atlantean Empire, the equipment and tactics of the armies of Atlantis and their enemies, and the stories of the great wars themselves. REGIMENT: 15 YEARS IN THE SAS

From its early beginnings in World War II, the Special Air Service (SAS) has won renown in some of the most dramatic, dangerous, and controversial military special operations of the 20th Century. It is a secretive and mysterious unit, whose operations and internal structures are hidden from the public eye. Now, one of its longest-serving veterans, Rusty Firmin, offers a glimpse into the shadowy world of the SAS. Rusty Firmin spent an incredible 15 years with 'The Regiment' and was a key figure in the assault on the Iranian Embassy in London in May 1980, the near-suicidal planned attack on Argentina (operation MIKADO) during the Falklands war, and the secret conflict between the SAS and the IRA in the 80s. RIO GRANDE GAMES

20TH CENTURY LIMITED
Become part of a U.S. National Institution of the early 20th Century as you build the routes and reputation of The Most Famous Train in the World: the *20th Century Limited*. You are American rail luminaries, creating small independent lines to serve local cities. Plying your business acumen, you plan to sell these lines to larger companies. Of course, you wouldn't be where you are today without knowing a thing or two about turning tricky situations to your advantage: You have a scheme in mind to get the big companies what they need, without necessarily having, shall we say, exclusive ownership of it. Scheduled to ship in April 2015.

ARCTIC SCAVENGERS: RECON EXPANSION
As the tribes have evolved further and struggled for dominance, information has become the most valuable currency. In the new world mapped out in *Arctic Scavengers: Recon*, deception reigns, leading to a need for reconnaissance. This expansion adds new tribe leader roles, new mercenaries, new equipment, and new levels of player interaction, and includes a plastic insert to organize the cards for ease in play set-up. Scheduled to ship in May 2015.
RGG 516 \$29.95

ARCTIC SCAVENGERS: BASE GAME WITH HQ AND RECON EXPANSIONS
 In the year 2097, the entire earth was enveloped in a cataclysmic climate shift plunging the globe into another Ice Age. Over 90% of the world's population was eliminated, driving the survivors to band together into loose communities and tribes. In *Arctic Scavengers*, each player is the leader of a small tribe of survivors. Resources, tools, medicine, and mercenaries are all in scarce supply as tribes fight for survival. This edition of *Arctic Scavengers* includes the *HQ* and *Recon* expansions. Scheduled to ship in May 2015.

BOHNANZA: HIGH BOHN PLUS BOHNAPARTE

Unrest in Beanland! Bean princes in all parts of the land are trying to conquer foreign villages and cities. They use the profits from their bean sales to finance their attacks. At the end of the game, gold coins have no value. Instead, players only score the lands they control as victory points. Thus, the most powerful bean prince is crowned Bohnaparte of Beanland. The expansion adds game variants and two new bean types, the Cognac bean and the Field bean. With *High Bohn*, the players may spend their gold coins on buildings located in Virginia City. Scheduled to ship in April 2015.

RRG 512 \$24.95

RACE FOR THE GALAXY: XENO INVASION EXPANSION

After settlers encountered a violent xenophobic race, the Xenos, the galaxy finds itself under relentless assault. No negotiation is possible! Long-lost Alien secrets may hold the key to defeating these attacks. Can you build the most prosperous and powerful space empire while defending it from Xeno invasions? Scheduled to ship in June 2015.

PRIMEVAL THULE CAMPAIGN SETTING HARDCOVER

Adventure in a Savage Age! This setting supplement introduces the savage and intense world of Thule, a primordial land of fierce barbarians, wicked cities, and elder horrors. This is the time of Atlantis and Lemuria, star-demons and sorcery, a doomed age destined to be lost beneath the numbing cloak of endless winter. But for one glittering moment, Thule lives — and it is a fierce, cruel, and splendid moment, indeed! Scheduled to ship in April 2015.

MAGIC ORIGINS

MAGIC THE GATHERING CCG: MAGIC ORIGINS

Magic Origins explores what it means to start out on a magical journey, and how we change as we progress through our lives. It focuses on five of *Magic's* most prominent characters (Gideon Jura, Jace Beleren, Liliana Vess, Chandra Nalaar, and Nissa Revane), letting you explore their backstories and transformations as they become Planeswalkers. You'll see their home worlds, learn about the joys and crises of their early lives, and discover how they became the Multiverse-traveling Planeswalkers we know today. Designed to be accessible to introductory players, with new mechanics that express these themes of growing over time, *Magic Origins* also plants the seed for *Magic's* future storylines, allowing you an insider's glimpse of what's to come. *Magic Origins* contains 272 cards and is introduced in Booster Packs, Intro Packs, Fat Packs, and Clash Packs.
