**KOBOLDS ATE MY BABY RPG IN COLOR**

It's not your fault that Kobolds are gourmets. It's not your fault that King Torg (All Hail King Torg!) is hungry. It's not your fault that the tastiest thing a Kobold has ever eaten is sweet baby! And it's definitely not your fault that Kobolds are the most incompetent, reckless, and accident-prone race to ever crawl out of a cave. But it is your problem... King Torg (All Hail King Torg!) needs you to go out to the nearby human town and bring back the freshest, tastiest, plumpest human babies you can find - or, the King will be eating you (and Kobold's pretty darn tasty.) *Kobolds Ate My Baby*, the classic Beer and Pretzels RPG of merry mayhem and hysterical horrible death featuring horrendously hilarious art by John Kovalic (*Dark Tower*), is now available in magical COLOR! Scheduled to ship in March 2014.

**CHRONICLE CITY**

**CORPORATION RPG: CORE RULES**

There will come a time when the nations of the world will cease to exist. When the anachronisms of state and country are finally crushed by the inexorable juggernaut of total corporate domination. When five monolithic Corporations are the new world powers. There will come a time when the tools of war and politics alike are not armies or diplomats, but Agents: the eyes, the hands, and sometimes the knives of the Corporations. There will come a time when you will be recruited as an Agent, ordered to operate outside any remaining semblance of law and augmented beyond what you once considered human. When you will negotiate, bargain, spy, sabotage, kill and perhaps die in the service of your Corporation - and when you will be well rewarded, as long as you survive. The time is 2500 AD, and it is now! Scheduled to ship in April 2014.

IMP CHC52801.....\$39.99

**CORPORATION RPG: THE EASTERN BANK**

There is a place where three titanic Corporations are forced to exist in fatal proximity, locked in a bitter struggle for territory, resources, and dominance. Where uncertain allies and lethal enemies battle from darkened boardrooms to bloodstained streets. Where the balance of power lies upon the edge of a knife. Where the sound of a single gunshot could ignite the fires of war across the entire world. The place is The Eastern Front - the theatre for your next assignment, Agent! Scheduled to ship in April 2014.

IMP CHC52802 ..... \$24.99

**SAVAGE WORLDS RPG: WAR OF THE DEAD - CHAPTER 1**

Where were you on the day the Earth died? An unexplained cataclysm is infecting the world. Millions are dying and rising as flesh-consuming ghouls. Entire cities are roaming graveyards, and even the countryside is overrun with creatures in search of living flesh. *War of the Dead* is a four-chapter adventure series that takes you from the first stages of the outbreak, and into a world forever war torn and changed by the advancement of the Living Dead! Scheduled to ship in April 2014.

IMP CHC51101 ..... \$24.99

**FATE RPG: THE DEMOLISHED ONES**

You wake in a room. You don't where you are, where you came from, and what's happening. Your identity has been taken from you. It will come back with time, but can you trust it? This world is not what it seems. Are you? And then there's the murder. If you want to keep your freedom, you'll need to solve the mystery of Jack Smith's murder while you solve the riddle of your own identity. But is freedom even possible, or is it just another lie? Utilizing the *Fate System*, *The Demolished Ones* is a game about identity, amnesia, and the power - and danger - that comes with knowledge. Scheduled to ship in April 2014.

IMP CHC54020 ..... \$24.99

**SAVAGE WORLDS RPG: WAR OF THE DEAD - CHAPTER 2**

It has been one month since the dead rose to consume the living. Supplies have dwindled and resources have proven scarce, as most towns have already been looted and the Living Dead control the major population centers. When you discover a survivor community, is their open welcome a true reprieve from the constant fight for survival, or an ulterior motive for something darker? And what of the rumors of a major survivor camp called Sanctuary? Is it truly a haven from the Living Dead? It's time to count your ammunition, find shelter, and keep your allies close. The Living Dead are closing in! Scheduled to ship in April 2014.

**O/A BREAKING THE CHAINS: WAR IN THE SOUTH CHINA SEAS**

*Breaking the Chains* simulates a hypothetical future military conflict over the South China and East China Seas around the year 2021. Conflicting claims of sovereignty have roiled those "near seas" since the Cold War. After decades of patient diplomacy, Beijing's new navy offers military options for finally asserting sovereignty over prizes within the First Island Chain - that string of islands which runs from the Ryukus south through Taiwan, the Philippines and then curls back to the mainland via Malaysia. *Breaking the Chains* presumes that China comes to blows with a Southeast Asian country in a conflict that could expand to possibly include Australia, India, Japan, the United States.

UNCONVENTIONAL DIPLOMACY**

The Laundry is a secret branch of the British Civil Service, dedicated to protecting the United Kingdom against Horrors from Beyond. In your time in the Laundry, you've seen your share of terrible, frightening documents - grimoires bound in human skin, soul-eating computer code, and compliance assessments. None, though, are as terrifying as the thing sitting on your desk. It's a plane ticket! The Laundry's budgets are more tightly bound than a summoned shoggoth, and if they're paying for your flights, then something hellish is about to happen overseas - and you're in the firing line! This collection of scenarios for the *Laundry Files* opens up new and unimaginable vistas of cosmic/comic horror. Scheduled to ship in May 2014.

**LAMENTATIONS OF THE FLAME PRINCESS**

**LAMENTATIONS OF THE FLAME PRINCESS RPG: CORE RULES HARDCOVER**

Beyond the borders of civilization, beyond the influence of manipulating politicians, greedy merchants, iron-handed clergy, and the broken masses that toil for their benefit, the ruins of ancient civilizations call to those bold (and desperate) enough to escape the oppression of mundane life. Treasure and glory await those courageous enough to wrest it from the darkness. But the danger is great, for lurking in the forgotten shadows are forces far more corrupt than even civilization... and the price for freedom might be paid in souls! ### MYTH BOARD GAME

A fully cooperative fantasy board game, players in *Myth* control avatars within a three-act story (*Myth*), clothed in immense power and able to reave all but the mightiest foes. However, this power must be tempered and balanced lest the Darkness takes too much notice. Players must weigh their actions against the threat each will bring, with the consequences of awakening more evil and bringing doom on the party's endeavors. But, be wary! The minions of Darkness are formidable and eager to snatch glory from the valiant! Cooperation is the key to victory and bloody fortune - or Darkness dooms all to a deadly fate! Scheduled to ship in March 2014.

WORTHINGTON GAMES

**1776: THE NEW YORK CAMPAIGN**

The New York 1776 campaign of the American Revolution pitted a newly formed American army, comprised of Continentals and militia, facing a large, highly disciplined British army that included a significant number of Hessian soldiers. This campaign involved the largest number of troops of the war. Can you, as the British player, defeat the American army and end their revolution in its infancy? Or as the American player can you, like Washington, defend your country while avoiding disaster? The decisions are yours! Scheduled to ship in May 2014.
