Retreat to Darkmoor
The foul forces of Darkmoor have amassed their legions to strike at the Capital City. Despite their well-laid machinations, something awaits them within the city walls - the realm’s legendary heroes, who have gathered to council the king. Failing to siege the city, each overlord’s minions must now retreat to Darkmoor lest they be captured - or worse! In Retreat to Darkmoor, players assume the roles of dark overlords of the realm, each commanding an identical deck of minions. Your goal: to successfully evade the legendary heroes, eliminate rival minions, and take refuge in the various locations of Darkmoor. Scheduled to ship in August 2016.

PATHFINDER RPG: PLAYER COMPANION - HAUNTED HEROES HANDBOOK
Death is Not the End! In a world filled with undead, resurrection, and beings from beyond the mortal plane, long-dead mistakes can still cause problems for the living – or provide opportunity. Pathfinder Player Companion: Haunted Heroes Handbook takes aim at possessing forces of all sorts, from worldly magic to spirits of the dead, and provides you with options to rid yourself of that influence, take back control, or profit by cunning bargains with forces in need of a mortal vessel. This handbook also provides valuable information on the places, organizations, and faiths especially concerned with spirits, hauntings, and possession. Scheduled to ship in August 2016.

PINNACLE ENTERTAINMENT GROUP

SAVAGE WORLDS RPG: RIPPERS RESURRECTED - FRIGHTFUL EXPEDITIONS
Take your Rippers on adventures around the world, into the far corners of the Empire, exotic locales beyond, and the shadowy corners best left forgotten! Frightful Expeditions features more info on all seven continents, and new creatures and Savage Tales to go with them! Scheduled to ship in July 2016.

SAVAGE WORLDS RPG: RIPPERS RESURRECTED - GAME MASTERS HANDBOOK
Three years ago, Johann Van Helsing led the Rippers – an ancient organization dedicated to fighting evil – against the forces of the diabolical Cabal. At great cost to life, limb, and reason they won. But, in 1895, a new evil stirs in the dark of night, straining at the walls of its eternal prison. Its fiendish servants comb the globe, seeking a way to free their master and consume the world with shadows. Only the Rippers stand against them. But, to triumph they must face their oldest nemesis – and their deepest fears! The Rippers Resurrected Game Master’s Handbook contains everything a Game Master needs to run adventures in the Victorian era, including expanded information about the Rippers’ world, secrets of the Cabal and other threats facing the Rippers, an adventure generator, the all-new Flat Point Campaign “Return of Evil”, a host of all-new Savage Tales, and stats for all the Rippers’ steadfast allies and fiendish enemies. Scheduled to ship in July 2016.

SAVAGE WORLDS RPG: RIPPERS RESURRECTED - PLAYERS GUIDE
At the Nineteenth Century’s end, a shadow lies upon Europe and the world. The mythological creatures of the night – vampires, werewolves, and far worse – stalk the darkness seeking innocent blood. Only the Rippers, members of an ancient organization dedicated to fighting evil, stand against them. But to win this battle, the Rippers must use all their foes’ weapons against them, and preserve their own embattled sanity. It’s time to take back the night – again! The Rippers Resurrected Player’s Guide contains everything players need to create the Ripper heroes who oppose evil’s machinations, including information on the Victorian era, the various Rippers Fractions and the frightening world they call home, new Hindrances and Edges, gear, and Setting Rules for Ripper Lodges, Reason, Status, and more. Plus, newly revised rules for rippertech allow heroes to “rip” their enemies’ supernatural traits and graft them to other Rippers! Scheduled to ship in July 2016.

SAVAGE WORLDS RPG: SAVAGE TALES OF HORROR - VOLUME 1
Dare to wander the Black Forest in search of witches’ bane, where you may lose your soul - to the Face Snatchers! Brave the bitter northern chill, where brain freeze is the least of your worries. At least someone will keep those beautiful looks of yours in Cold Storage! Relax for a lakeside Spring Break at The Retreat if you can ignore the scratching at the door, and the deadly smiles of the townsfolk! Investigate by gaslight the ghostly hauntings of the magnificent Manor of Blood! It’s very inviting, but doesn’t want you to leave! And, the suspicious death of an old friend consumes the world with shadows. Only the Rippers can stop this terror but you, the Accursed, those who are witchmarked themselves! A deep space distress call reignites a bitter eonsold war between two deadly adversaries, intent on drawing you into their conflict, or to just hear you scream! Hotel 96 is waiting for you. It promises fine music, great food, and a release for the soul. But, it has a burning desire to make you stay for good! And, ghastly aspirations roam old London town, while a dancing craze causes death by euphoric exhaustion. Who will survive The Dance of the Dead? Scheduled to ship in July 2016.

SAVAGE WORLDS RPG: SAVAGE TALES OF HORROR - VOLUME 2
In Love on a Mountain, the heart can be just as deadly as a gunslinger, and more tragic than a shot to the gut! Missing livestock is blamed on wolves, but what is that sound at night, creeping from within the cracks...something that Skitters! As part of an elite team sent to protect staff at an enigmatic Ice Hotel, there’s something evil lurking in the frozen wastes, ancient and wanting...for Blood on Ice. As players in a roleplaying game you love to fight demons and monsters as wizards and warriors. But what about when the LARP of Horror becomes all too real? And, when the terrifying colony of Rosewood loses contact, your specialist team is sent to investigate. But what is this strange, creeping flora grown by the elusive calisthenists, and what is its dark secret? Scheduled to ship in July 2016.

SAVAGE WORLDS RPG: SAVAGE TALES OF HORROR - VOLUME 3
Your unit is stranded on an Island of Death, where Nazis don’t just come for you - they don’t stay dead! The shards of a Witch’s soul is written in The Final Page of an ancient tome of evil. Who else can stop this terror but you, the Accursed, those who are witchmarked themselves! A deep space distress call reignites a bitter eonsold war between two deadly adversaries, intent on drawing you into their conflict, or to just hear you scream! Hotel 96 is waiting for you. It promises fine music, great food, and a release for the soul. But, it has a burning desire to make you stay for good! And, ghastly aspirations roam old London town, while a dancing craze causes death by euphoric exhaustion. Who will survive The Dance of the Dead? Scheduled to ship in July 2016.

**100 WACKY THINGS CARD GAME**

One wacky thing leads to another in this zany game of craziness! Scheduled to ship in April 2016.

PAT 6916 .................................. $9.00

**CHRONO BOMB BOX**

Chrono Bomb is a super secret spy mission where kids use the included clamps and string to create a “laser” field to crawl through. At the end of the maze is the bomb, counting down. Tick, tick, tick! So, you have to hurry, carefully, and make it to the end to defuse the bomb and be the hero! Scheduled to ship in April 2016.

PAT 7010 ............................................. $30.00

**GAME OF THINGS**

You Won’t Believe the Things You’ll Hear!

In this hilarious game, you read a topic card and then write down your response. It can be anything that comes to mind, there’s no right or wrong answer! Then all the responses are read aloud and you have to figure out who said what! For groups of immoral players 18 and up. Scheduled to ship in April 2016.

PAT 7710 ............................................. $28.00

**ODDS JOBS**

These jobs are hilarious, wacky, and over-the-top - and the workers are even sillier! One player is the “client,” choosing a card and reading aloud the job. All other players use their business cards, selecting the best one for the job, and telling the client why they should be hired. Sometimes the amusing names and witty taglines sell themselves, other times you may want to act the part and boast about your imaginary skills! Scheduled to ship in April 2016.

PAT 7452 .......................................... $25.00

**PERPLEXUS: MICRO**

Just because it’s smaller doesn’t mean it’s any less fun or challenging! Perplexus Q-Bot is a fun, cube-shaped puzzle with a robot figure inside. Perplexus Drakko is an egg-shaped puzzle with a red baby dragon waiting to be hatched, and the dragon’s body is the maze itself! Scheduled to ship in April 2016.

PAT 901 ............................................. $9.00

**PERPLEXUS: WARP**

Perplexus Warp takes maze play to a whole new level! While Perplexus is usually a transparent sphere, Warp’s shape has been “warped” into an egg-like shape called a spherical octahedron. With Warp, an external slider is used to manipulate the marble inside on the track, nine internal cups act as “baskets” for the marble to leap into, and an internal pivot gives the illusion the marble is defying gravity. Scheduled to ship in April 2016.

PAT 958 .......................................... $9.00

ACTS OF WAR VOLUME ONE:
FLASH POINT

Lord General Coleman Stryker is one of the greatest heroes of the Iron Kingdoms. Chosen by his king to liberate the conquered lands of Llael from Cygnar’s long-standing foe, the Khadoran Empire, Stryker finds himself forced to work with one of his most bitter enemies - the exiled mercenary Asheth Magnus, a man to whom Cygnar’s king owes his life. To claim victory for his king, Stryker will have to find a way to put his faith in a man he can’t trust. Setting the stage for the Warmachine story for years to come, Flash Point depicts Lord General Coleman Stryker on his mission to liberate an Allied nation from the clutches of the Khadoran Empire. Halo: Ground Command gives you the tools to play out epic battles on Reach between stalwart soldiers of the UNSC and the merciless legions of the alien Covenant. Cities will fall, heroes will rise, and destiny forged in battles that are yours to plan, direct, and implement on the tabletop. From massive tank engagements at Szurdok Ridge to small groups of Spartans deployed in defense of New Alexandria, you are in control, making life-and-death decisions as a UNSC commander charged with the safety of this critical planet. Or take the role of an alien invader, leading the Covenant invasion force as a field marshal ordered to exterminate humanity, at any cost. The Covenant are on Reach! Your troops await their orders! The Battle for Reach 2-player Battle Box includes the Halo: Ground Command Rulebook, Statistical Sheets, 20 Custom Dice and six Halo Command Dice, Game Tokens, Halo Scenery, a UNSC 1,000 Point Battle Force, and a Covenant 1,000 Point Battle Force. ASCENSION X: WAR OF SHADOWS
The tranquility that settled on New Vigil is over. The factions must align with the Light and Dark powers that spread over the land, competing for the soul of the Vigil. Which side will you choose? In Ascension X: War of Shadows, new dual-cost Heroes and Constructs require players to use both resources to acquire them, but have incredible power! Plus, as the balance between Light and Dark shifts, cards gain additional powers depending on whether it is Night or Day. Ascension X: War of Shadows is playable as a standalone 1-4 player game, or can be combined with other Ascension games to play with up to six players. Scheduled to ship in June 2016.

MUNCHKIN: PLAYING CARDS
Ante Up! You love Munchkin, but sometimes you want to play poker or blackjack, right? Now you can with Munchkin Playing Cards! These 54, poker-sized cards are each illustrated with Munchkin art by Ian McGinty. Scheduled to ship in August 2016.

TASTY MINSTREL

DOWNFALL
In the year 2213, the world order came to an abrupt end over a 19-day war. The bombs started falling on the 3rd day, and by the 19th ninety-nine percent of earth’s population was dead - or would soon be. Wars and conflicts had raged for decades prior - as populations rose up, the global government quelled the growing resistance and maintained the status quo. But, the conflicts escalated rapidly, and the world leaders became anxious and wary. No one knows who pressed the button first, and in the harsh realities of the world that followed, no one cared. What mattered was surviving and, if possible, rebuilding. Thrive - and survive - in the wake of the apocalypse in Downfall! Scheduled to ship in August 2016.

GUILDS OF LONDON
London: The biggest, most important and richest city in England in the medieval and early modern periods. The Guilds played a major role in the lives of London’s citizens, controlling the way in which trade, manufacturing, and business was conducted in the city. The members of the Guilds were rich men, who were appointed to the most influential positions in the community and wielded immense civic power. The chief representative of the Guilds became the Lord Mayor of London, and the leading delegates of the Guilds became his Aldermen. The Guilds ran the city and controlled its commerce - each had its own Hall and its own Coat of Arms. In the Guilds of London, players endeavor to place their liverymen in strategic Guilds, building their power base to achieve the status of Master in many of them. Scheduled to ship in August 2016.

THIEF’S MARKET
In Thief’s Market, a dice-drafting/stealing game, players are crafty, competing cutpurses looking to split the loot from a “hard day’s work”, then spending it on (more) useful items, finery, and henchmen. These “purchased” items will grant the ability to manipulate your take further as you go to market and allow you to take additional actions such as flipping dice to the desired side, make extra purchases, re-roll dice, gain points, reduce the cost of purchases at the market, and create effects when you purchase certain cards. Scheduled to ship in August 2016.

STRONGHOLD GAMES

THE DRAGON & FLAGON
The Dragon & Flagon: a tavern world-renowned for its most magical drink, The Dragon! Legend has it that one sip of The Dragon can give a hero wondrous abilities beyond their wildest dreams - but with a tavern full of thrifty adventurers and only one flagon left, things are bound to heat up. Prepare your magic and grab your weapon because there’s only one true objective in this brawl - and it’s not just a sip of The Dragon! Only one can win and emerge with the reputation as the greatest fighter ever seen within the walls of The Dragon & Flagon! Scheduled to ship in August 2016.

KRAFTWAGEN
By the year 1928, Germany possessed a dense road network where combustion engines had triumphed over electric or steam engines and where cars were produced via assembly lines. Manufacturers began producing more affordable vehicles for the broader population. In Kraftwagen, players are at the wheel of a fledgling car manufacturer. By advancing the technology and proving their designs, each player hopes to come out on top as the demand for new and improved automobiles grows. Scheduled to ship in August 2016.

THAMES & KOSMOS

LEGENDS OF ANDOR: JOURNEY TO THE NORTH EXPANSION
After many years of living in peace, the heroes of Andor receive a new cry for help - this time from the distant land of Hadria - and embark on a perilous journey to the north. This expansion for Legends of Andor introduces four legends with new challenges, heroes, and creatures. Scheduled to ship in August 2016.

THE NINJA CRUSADE 2ND EDITION - THE FIREBRANDS
Burn with a Righteous Fury! We are the sparks that incite change, the embers that burn down armies, and the blades that cut the strings of corrupt politics. The Ninja Crusade has targeted our kind and we are not the ones to back down! The future is ours to control and will be written in the blood of our enemies! The first clanbook for The Ninja Crusade 2nd Edition, The Firebrands details the expansive territories, training methods, and individual cultures of the Fire-Aspected clans: The Blazing Dancers, who live the dance of fire, and the Virtuous Body Gardeners with their fiery-tempered blades. Scheduled to ship in July 2016.

ULTRA-PRO

13 DAYS - THE CUBAN MISSILE CRISIS, 1962
For thirteen days in 1962, the world stood at the brink of atomic destruction as the United States and Soviet Union faced off over missiles which had been placed in Cuba. Would the USSR back down and remove the missiles? Would the US push forward with a full invasion or send bombers towards targets within the Soviet Union? Who would blink first? 13 Days is a game recreating the tension of those two weeks as players play cards which shape political events around the world. Scheduled to ship in April 2016.

One of the most prestigious hobbies among the Gremlins of the Bayou (apart from moonshining) is the art of Creative Taxidermy. Putting aside concerns such as “Has the thing stopped moving?”, the brave practitioners of this art push the boundaries of their craft (and the boundaries of how much dynamite they can shove into a single squealing pig). Now you can follow and join in with this awesome story encounter and adventure box for your games of Malifaux and Through the Breach. This boxed set contains highly detailed plastic miniatures of two Taxidermists, six Stuffed Piglets, three Malifaux story encounters, and a Through the Breach adventure.

FLICK EM UP! RED ROCK TOMAHAWK EXPANSION

In this new expansion for Flick’em Up!, the infamous Cooper Clan has begun taking over small villages. Those villages, however, belong to the Native Americans, who are armed with bows and tomahawks, and ready to defend their land in five exciting scenarios. But, they’d best be careful around the Cooper Clan’s new weapon: the relentless Gatling gun.

Scheduled to ship in August 2016.
